PARIS, FRANCE

We challenge you to find a better French tour than the options we have in it's capital. Absolutely ideal for U13-U16 teams, the city is a fantastic tour city for those who aren't fussed about looking for the next bar. We have a close working relationship with Racing Metro '92, a recent edition to the Top 14 league in France. After arriving at your accommodation following a flight or ferry crossing from the UK, you will be out onto the training paddock, where you will be met by players from Racing, who will put you through your paces ahead of your tour matches. During the tour, you will also watch the team train before heading to the Stadium to watch a Top 14 match. We would recommend two matches against Parisian opposition. For the Mums and Dads on tour, there will be plenty of sightseeing, and for anyone who fancies it, Disneyland offers great group rates, and would be a great addition to the tour.

With so many places to choose in Europe, arranging a tour to the continent can be a daunting experience. We have created a selection of destinations that all come with our highest recommendation. All destinations have their own positives and unique strengths that set them apart from others. Have a read through our simple guides, and your 2011 European Tour will not seem such a difficult proposition.

Prices Start from: £249 per person. Based on a minimum of 30 passengers travelling on the Dover/Calais Ferry.

GALWAY, IRELAND

Situated on the West Coast of Ireland, Galway is the place to go if you want to see the country in it's purest form. Colourful and music-filled, the town offers the cultural beauty that Dublin lacks. The city also lacks the wallet-bashing prices found in the capital. With flights from most UK airports, the city is easy to get to. The new Dublin-Galway motorway speeds up the journey from the ferry ports as well. The Connaught province has a rich Rugby heritage, and with numerous clubs located in and around the city, there will be plenty to test yourselves. Galway will be ideal for U13-U18 teams travelling with mum's and dad's who are looking for a real Rugby experience in a fascinating yet friendly place. The town bustles throughout the day, and after a tough day on the pitch, or on one of our fantastic excursions, why not spend the evening in one of Quay Streets charming pubs?

the U13-U18 age groups, will be a stern test of your abilities. Easily accessible from the western ferry ports of Great Britain, Belfast also has two airports with immensely cheap fares to cities across the country. Northern Ireland still trades in Pound Sterling, so you can be sure of avoiding the current Euro sting. Belfast is a peaceful and friendly city. You will be based just outside the city centre and enjoy a busy itinerary. Why not head out into the sticks post-match for a bit of healthy competition in the form of paintballing or Go-Karting?

Prices start from: £209 per person. Based on 30 passengers travelling on the Irish Sea Ferry.

BELFAST, IRELAND

We were so impressed with Belfast, it is now one of our first recommendations when teams are looking for a city based tour in 2011. The fascinating recent history is matched only by the friendly welcome you will receive throughout the trip. Ulster is a huge Rugby region and a tour here, ideal for

LAKE COMO, ITALY

Lake Como is our flagship location. The roots of our business lie here as it was while in the lakeside town of Lecco that the eureka moment struck and Sky High Sports was born. The thought was simple, what a fantastic place to bring Rugby teams to!

If you are looking for a serious tour, maybe something for the U16's/U18's before they head off up into Colts and Senior Rugby, then this is it.

You will be based in Lecco, a stunning town surrounded by the beautiful Lake Como and the dramatic Italian Alps. You will stay in an excellent 4* Hotel and partake in some of the best activities in our whole repertoire. Amidst cruising up the lake on a ferry, you'll be atop a mountain zip-wiring through the forest, visiting the San Siro Stadium in Milan and standing track-side at the Monza F1 Grand Prix Circuit. You will play your matches against the best that Milan, Brescia and Lombardia have to offer. Our links with a range of clubs across the area will pitch you against any appropriate level. We cannot recommend this tour highly enough, and would put it against any other European tour available.

Prices start from £209pp excluding flights. Based on 30 passengers.

GENT, BELGIUM

Where is Gent I hear you ask? The city is located between Brussels and Antwerp in the Flanders region of Belgium, and is widely considered the best kept secret of the lowlands.

The city was medieval Europe's second largest after Paris and it retains some of the mystery and charm you'd expect. It is a fantastic base from which to explore Belgium and Holland, and with its less commercial image, it is far more suited to youth groups than nearby Amsterdam or Antwerp. It is both suitable for the younger age groups, but there is enough nightlife for the U18/U19 teams to enjoy. Belgian and Dutch Rugby in the younger age groups is surprisingly strong. We have seen clients in the past become unstuck, so be on your guard!

The city is brilliantly accessible from Calais, and offers much to all ages. A real gem of a tour destination and one we are proud to offer.

Prices start from £209. Based on 30 passengers travelling on the Dover/Calais Ferry

ROME, ITALY

Rome is fast becoming one of the Rugby hot-spots of Europe. With the Azzurri slowly improving on the International front, the sport is booming in the country.

In September 2010, the Praetorians will compete (To be confirmed!) in the Celtic League which is expected to magnify this growth. Tickets are expected to be readily available for both Celtic League and 6 Nations matches. Clubs are boasting massive junior and mini sections who would be delighted to welcome you on tour to the city in 2011.

Rome itself is one of Europe's most fascinating cities. As with Paris on the previous page, it is not for the teams looking for a few beers, but for the younger U13-U16 teams there are few cities that can match Rome. You will have plenty opportunity to explore the city from your city centre Hotel, so the Coliseum, the Pantheon and Palatine Hill will keep you busy.

Rome is also the home to one of our favourite days out. In a small Coliseum near the city, you can go to Gladiator School for the day. Excellent for young Rugby teams!

Prices start from £199pp excluding flights. 30 passengers.

Have you not seen anything you like the look of? As well as our six featured destinations, we have a collection of other options. If you are looking for a warm-weather beach tour, then why not consider the Barcelona or Venice coastlines? Relaxed and affordable towns filled with bustle. Prices start from as little as £199 excluding flights.

Other youth suitable tour destinations include Amsterdam, Marseille, Lisbon, Lille, Antwerp, Cologne, Dublin and many more.

WHY CHOOSE SKY HIGH SPORTS?

Sky High Sports was founded in Northumberland in 2009. The company was built with a strong ethos which we abide to every day. We strive to offer an approachable, thorough and valuable service, it is Rugby after all. Our success is measured by the positive feedback we regularly receive from our clients both within our native north east and across the globe.

We are a small company, and growing fast. Being small in this day and age, we feel is a great attraction. We are able to give our clients 100% support from the moment you enquire until long after the plane has touched down on home soil.

All of us here at Sky High Sports are impassioned sportsmen and women. We hold our meetings at our local Rugby Club, spend our Saturday afternoons playing the sports we love, and if the phone rings off the hook on a weeknight, we are probably out on the training paddock getting ready for the weekend.

We do not have hoards of salesmen hidden in boxes with headsets, we simply have a small group of like minded people that are keen to help you create the best possible tour for your group.

We would be delighted to hear from you.

Richie Gledson
Managing Director
